Manager "Do Not Play With" Request

FVPB rules allow parents to request that their child not play for a specific manager. This option may only be used once during a season. This action should be based on problems actually experienced by the family making the request. The request should not be made in an effort to manipulate team selection.

Please describe in detail the reason(s) for making this request. The FVPB Board of Directors will consider the request. If granted, the request applies for the entire year, including all-star competition.
